

HOW FUNDS WORK

Here's how creating a fund can help make a lasting impact your community.

A FUND IS CREATED

We want to work with you to make sure that your fund meets your goals. We can help you support the causes and organizations that mean most to you. The Named Fund only requires a minimum donation of \$1,000.

DONATIONS ARE MADE TOWARDS THE FUND

Once the fund is established, anyone can make contributions to the fund. They can donate online, in person or over the phone.

THE MONEY IN YOUR FUND IS INVESTED

All the donations made towards your fund are invested in accordance with our investment policy. The larger your fund becomes, the more interest it generates.

INTEREST ACCUMULATES

The investment income from the interest generated accumulates, and this amount is available to be disbursed. The contributions will not be granted; only the interest generated from the investments are given to the causes you wish to support.

GRANTS ARE MADE

Grants are made from the investment income to the causes and organizations in your community that you would like to support. Grants are made on an annual basis, and continue forever.
